Dialogue 1: Fire Drill

(The fire alarm rings and lights flash. RN Lena goes to the patient's room to close the door.)

Student Nicky: What's going on? What's the alarm for?

Lena: _____

Student Nicky: I learned about that at school, but never experienced a drill.

Lena: _____

Student Nicky: Where is the fire?

Lena: _____

Student Nicky: What are the immediate response steps in the event of a fire?

Lena: _____

Student Nicky: When the alarm rang, you came to close the patient room door.

Lena: _____

Student Nicky: Wow! Do we evacuate the patients?

Lena: _____

Student Nicky: Other than the fire drills, is there any other program designed to improve environmental safety in our hospital?

Lena: _____

Student Nicky: Thank you. It's good to know.
