课程名称	亚太地区政治与经济		
英文名称	Politics and Economy of the Asia-Pacific Region		
学分数	2	周学时	2
课程性质	<input type="checkbox"/> 通识教育专项 <input type="checkbox"/> 核心课程 <input type="checkbox"/> 通识教育选修 <input type="checkbox"/> 大类基础 <input type="checkbox"/> 专业必修 <input checked="" type="checkbox"/> 专业选修 <input type="checkbox"/> 其他		
教学目的	This elective course is designed to introduce to students a series of in-depth studies of the politics and economy in the Asia-Pacific region from the theoretical perspective of international relations.		
基本内容简介	These studies present the historical evolution of the major actors in the region and cut across a broad range of issues including the Asia-Pacific regional security architecture, democratization, economic models, the rise of China, etc. By taking this course, students can survey the major political and economic issues in the region and get familiar with effective social scientific approaches to politics and economy at both regional and state levels.		
<b>基本要求：</b> Students are required to read the assigned readings, attend classes, participate in discussion, and complete your assignments. The requirements for you are specified below. <i>Class Participation:</i> Class participation is much more than attendance, though the latter is essential. Students are required to participate in class discussion in a constructive way based on their understanding of the assigned readings. You are required to read the assigned readings <b>before class</b> . Recommended readings are not required for reading and will not be covered in final exam. Fulfilling the reading tasks will help you have thoughtful in-class discussion and excel in quizzes, review essay, and final exam. Questions and comments are always welcome in class. <i>Quizzes:</i> Four quizzes will be given in class during the semester. Each quiz will be comprised of 2-3 short questions, and it can be completed in three to five minutes. <i>Final Exam:</i> The final exam will be comprehensive, covering assigned readings and lectures. There is a possibility that the instructor will announce one week before the final exam to reduce the required readings covered by the exam.			
<b>授课方式：</b> Lectures by professor, and discussion in class.
